Aryen Suresh Kute

Founder & CMD

Among all the success stories you have heard, the ones about young teenagers or pre-teens leaving their mark on the world are undoubtedly the most fascinating. Their determination to rise to the top of the food chain is inspiring. These young entrepreneurs come up with winning ideas at a young age that they actively work on and turn into a business. And this is no easy task to achieve.

However, these dynamic young entrepreneurs demonstrate that an Ivy League education is not required to achieve success in life.

Experiences that shaped Master Aryen Suresh Kute's Entrepreneurial Journey

Master Aryen Suresh Kute, Founder and CMD of 0AO INDIA, belongs to this young entrepreneur group. He, at the age when children are carefree, hop from school to home and vice-versa, mostly enjoy playing games with friends— has embarked on and implemented an idea that is not a common school-going ten years old can think of.

Just what you expect from a typical schoolboy in today's generation, Master Aryen Suresh Kute was playing games when his curiosity and excitement to understand the gaming interfaces and experiences about Gaming led him to give an enlightening idea of starting an IT company in the field of Game and Web Development.
